BERGSTROM ELECTRIC ASSEMBLIES

Wire Harnesses

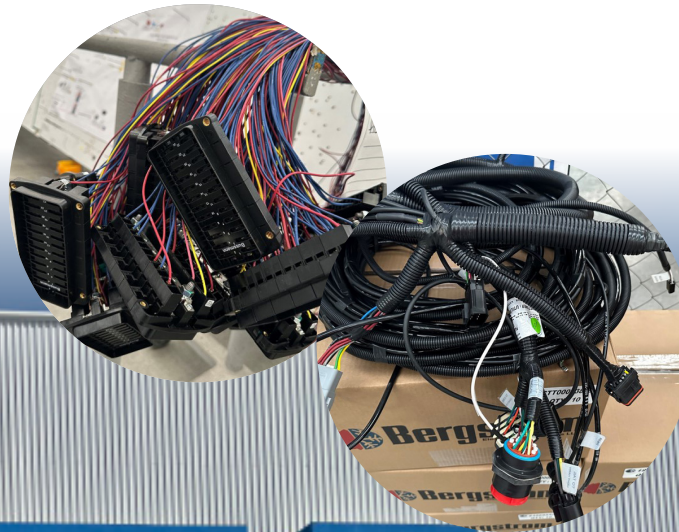

BEPS-T-HPSS-24R1-EN-B

The Leon Mexico facility boasts a dedicated team of employees committed to delivering unparalleled service. Bergstrom stands as a beacon of reliability, placing customers at the forefront of its operations. The company's customer-centric approach ensures fast response times and the flexibility to tailor solutions to meet specific customer requirements.

Products we offer:

- Wire Harnesses (1V to 1000V)
- Cable Assemblies
- High Voltage Cables
- Box/Enclosure Builds
- Electronic Assemblies

Why should you choose Bergstrom Electronic Assemblies:

Proven Track Record: Bergstrom has demonstrated unwavering commitment to excellence in the field of thermal management and electronic solutions for commercial vehicles.

Customer-Centric Approach: Bergstrom Electronic Assemblies prioritize customer satisfaction, ensuring that client needs are at the core of every product and service offered.

Fast Response: The Leon facility is equipped to provide swift and efficient responses to customer inquiries and demands, emphasizing agility in addressing market dynamics.

Flexibility: Bergstrom Electronic Assemblies understand the unique requirements of its diverse clientele, offering flexible solutions that can be customized to meet specific customer needs.

Cost-Focused Design: Employing cost-focused design principles, Bergstrom delivers high-quality products while maintaining a competitive edge in the market.

Lean Manufacturing: The Leon facility adopts lean manufacturing practices, optimizing efficiency and minimizing waste to deliver products of the highest quality.

ISO Quality System: Committed to the highest standards of quality, Bergstrom Electronic Assemblies operates under an ISO-certified Quality System, ensuring that products meet or exceed industry benchmarks.
