

## Manufacturing Engineering Manager US Operations

**Location:** Blackhawk Rd. Rockford, IL

**Department:** Manufacturing

**Reporting To:**

**Hours:** Monday through Friday, 7:30am – 4:00pm

### ESSENTIAL FUNCTIONS:

- Manage and lead Manufacturing Engineering department, including core team consisting of (1) Senior Manufacturing Engineer, (2) Manufacturing Engineers and (2) Manufacturing Technicians Level II
- Manage, plan and assure engineering, validation, testing and launch of manufacturing processes, New Product Introduction (NPI), and high volume production of Bergstrom proprietary heating ventilation and cooling (HVAC) systems and heater systems including condensers, evaporator coils, thermal expansion valves (TXV), thermostats, heater coils (heater matrixes), water valves, blower motors, wire harnesses, actuators, blend doors, and cabin air filters.
- Plan, engineer, develop, deploy and continuously improve Global Manufacturing Standard (GMS) structured process and standardize production line system to test, produce and assemble all Bergstrom HVAC systems, heater systems, condensers, evaporator coils, heater matrixes and water valves for delivery to agricultural, mining, and heavy-duty sector customers

### EDUCATION AND/OR EXPERIENCE:

- 60-months experience as a Manufacturing Engineer, Manufacturing Engineering Manager or a related engineering and deploying global manufacturing standard or system structured process and standardized production line system to test and produce HVAC systems or related.

### PAY AND BENEFITS:

- The budgeted range for this role is \$110,180 USD to \$139,000 USD per year. The range provided is a good faith estimate representative of the desired level of experience for the position. Bergstrom Inc. considers several factors when extending an offer, including but not limited to, the role, function and associated responsibilities, a candidate's work experience, education/training, and key skills.
- Hired applicants may be eligible for benefits, including but not limited to Bergstrom's discretionary incentive, medical, dental, vision, life insurance, short-term disability, long-term disability, 401(k) match, flexible spending accounts, employee assistance program, tuition reimbursement, paid time off and holidays.

### TO APPLY:

If you would like to be considered and meet all the position requirements, please [email](#) your resume and cover letter to Jim Schmitt in Human Resources using reference #12536.
